

#CardsforCaregivers In Collaboration With:

Elmhurst

The Brooklyn
Hospital Center
Keeping Brooklyn Healthy

KAISER PERMANENTE®
Los Angeles Medical Center

Hi there!

We have a mission for you.

School is closed right now, and it's because a terrible sickness is going around. But right now, as you are safe at home, there are many brave doctors, nurses, and hospital staff working very hard to save lives while risking their own.

These healthcare workers must endure 10+ hour workdays and put themselves in danger for the benefit of others.

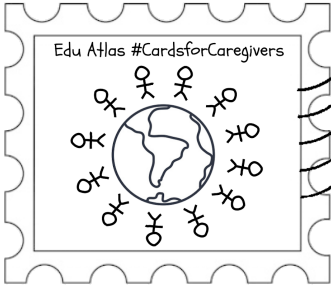

We must take action to express our admiration and gratitude for these selfless individuals.

To show our support, the mission is to **make a nice card for these wonderful caregivers.**

Scroll down to the second page for directions on how to complete this mission!

Edu Atlas #CardsforCaregivers Mission:

- 1) **Print** the card template that is found on the next page (page 3 of this file)
- 2) **Draw** a cool picture on the top half of the printed page (you may draw a hardworking doctor, a smiling nurse, hearts, or whatever you think shows your support for them)
- 3) **Write** 2-4 thoughtful and complete sentences on the lines found on the bottom half of the page (you may write about how brave you think they are, how cool they look, or how thankful you are for their work)
- 4) **Take a picture** of your beautiful card and **fill** out this [form](#)
- 5) **Give** yourself a pat on the back! It is very kind and compassionate of you to show support for those working hard.

Handwriting practice lines consisting of multiple sets of three horizontal lines: a solid top line, a dashed middle line, and a solid bottom line.
